Help!

Obviously such a challenge comes with expenses. Stuart is looking for a main sponsor to cover expenses. If anyone knows of any business, factories, or companies that may back him, please contact him on **07796181649**.

A hi-vis vest promoting them could be worn. Stuart wants this to be the biggest fundraiser he has ever done, so please if you can help in any way, it will be much appreciated.
THANKYOU.

We are most grateful to the advertisers who have kindly supported us in financing the publication of this newsheet.

Stuart Maw's Last Challenge

This summer on **Saturday 13th August**, Stuart Maw and his best mate John Evans are going to walk to the top of Ben Nevis, Britain's highest mountain!

Stuart said "After a lot of thought due to my knee and back issues, we have decided to go ahead with it for three local good causes! **Winterton Care Campaign Group, Winterton Iron, and Bloodwise.**

Remember this is the last time I will be asking people to sponsor me after many walks, cycling, rowing, sleeping in trenches etc. I love my

community but I am having to slow down with work and fundraising, so I want to raise as much as I can. It would be nice to raise at least a thousand pounds for each good cause - all local Winterton causes. Just think, £1 from every house would nearly raise £3000, so please dig deep if you can.

Please if you can get your family and friends on board maybe filling some sponsor forms for me. Thankyou for all the support on all my challenges over the years and let's make this the biggest event ever. Thanks again."

Winterton Care Campaign Group news

The Care Campaign has been very busy organising a Public Meeting in March when residents were able to air their concerns to Matthew Grove, the Police and Crime Commissioner at the time. Residents were

also able to meet the new Police Inspector for our area: Tim Harvey. Following the meeting, some members of our committee were invited to a Walk About in Winterton

with the Police. This proved a very valuable exercise in rebuilding neighbourhood policing.

To ensure that residents had an opportunity to meet and quiz the candidates for the Police and Crime Commissioner Election the Care Campaign organised a PCC Hustings. This turned out to be a most informative and enjoyable evening by all concerned. With both the Public Meeting and the Hustings the

Another big clean up

There will be a sponsored litter pick on Saturday 23rd July.

Stuart Maw and members of Dale Park Junior Football Club will be taking part in the big clean up. Money raised will be divided equally between **Winterton Care Campaign Group Winter Support Fund and Dale Park Junior Football Club.**

EVERYONE CAN HAVE A PIECE OF THE ACTION

- Don't litter
- Pick it up
- Sponsor the event or
- Donate on the days of clean up

Campaign Group was keeping its promise to give people a voice through our non political group.

Watch out for the Care Campaign float in the Winterton Show parade. Give Stuart a cheer and a wave!

Wavelength

Wavelength (Charity number 207400) has brought comfort and companionship to vulnerable people since 1939.

They help people living alone and organisations supporting lonely people. Beneficiaries are often elderly, ill or disabled. Some live with mental health problems or learning difficulties. Some are struggling with homelessness, fleeing domestic violence or seeking asylum.

Any third party can refer people to the Charity – from a concerned neighbour to a housing officer, etc...

You can apply for a TV or radio for them via email info@wavelength.org.uk or phone 01708 621 101.

Winter Survival Support Scheme

Winterton Care Campaign Group's Winter Survival Support Scheme for people over 60 who are vulnerable during the cold weather has gone from strength to strength.

We can provide eligible people with a Winter Survival kit. The kit contains a woolly hat, gloves and a foil blanket, all very useful to keep people warm in case the heating stop functioning. Also in the kit, a small torch, some tea/coffee whiteners and soup packs along with a variety of useful Age UK leaflets.

People in receipt of a survival kit are also put on the list for snow clearing of their private paths to garages, sheds, bins and access to main footpath.

Our support team visits residents on the list and help with shopping if required and assistance with transport for medical appointments.

With a £3685 grant from the National Lottery we have been able to acquire a large amount of snow clearing equipment and protective clothing for snow clearers.

Our aim is to make Winterton a place where older people will not fear the isolation of winter months. By reducing the possibility of falls we will save the NHS

money and the trauma associated with broken limbs for many.

We would welcome more volunteers on board. If you can help, no matter how little you are prepared to do we would like to hear from you. Contact 733441.

Safe & Sound

Winterton Care Campaign Group continues to care for the safety and well being of elderly / vulnerable residents. We can now add to our Winter Support Scheme after receiving a £2000 grant from Efficiency North. The funding contributes to the group's continuing efforts to make a difference in the local community with a "Safe & Sound" project which is promoting health and wellbeing by providing local residents registered on our Winter Support Scheme with carbon monoxide detectors.

"We're so pleased to have received this money that will help us build on the work we've already done and make Winterton an even better place to live". More details from 733441.
